

WEDNESDAY NIGHT BIBLE STUDY BEGINNING 21 SEPT 2011

As we begin this year, we're going to look at some very hard issues that we are dealing with in this country. Our government at the Federal, state and community level and churches are pondering these topics. The goal is not to "solve" these problems but to look at them as Christians and see how we can be part of the conversation in a

loving, Christ-like way. We'll be using Adam Hamilton's book "Confronting the Controversies" as a guide for this conversation along with his DVD as a complement.

I know these are some tough issues and I hope everyone will feel comfortable to join in some lively discussion concerning each one. We will begin 21 Sept 2011. We will be meeting at Dorothy Roorda's home at 614 9th Ave. S.W. directly west of the church. Our usual meeting time is 7:00 p.m.

Topics in this study are as follows:

- 1 ***The Separation of Church and State***
- 2 ***Creation and Evolution in the Public Schools*** (I'll be using a few bits of the movie "Inherit the Wind" for this one and a few clips from the new DVD "Creation".)
- 3 ***The Death Penalty***
- 4 ***Euthanasia***
- 5 ***Prayer in Public Schools***
- 6 ***Abortion***
- 7 ***Homosexuality***
